About Me

Product / Digital UX Designer from Germany with a background in communication and UX/UI design. I create digital experiences from user experience to user interfaces and shaping the products behind them.
AI is part of how I work, a way to explore ideas faster, refine concepts and make better design decisions.

Education

- Dec 2025 - April 2026
  UX/UI Design Bootcamp with AI Integration
  Spiced Academy / NeueFische

  Intensive UX/UI Design Bootcamp with focus on user research, wireframing, prototyping (Figma), usability testing, design systems, and AI-supported workflows. Projects include Yugen (e-commerce), Navaro (travel app), and Life System (productivity interface), each developed end-to-end from research to high-fidelity prototype.

- 2018 - 2024
  Bachelor of Arts - Communication Design
  University of Applied Science, Düsseldorf

- 2014 - 2017
  Vocational Diploma as Technical Assistant in Fashion Design
  Maria-Lenssen-Berufskolleg, Mönchengladbach

Experience

- **Okt 2026 - Present**
  Product / Digital UX Designer
  EmpowerTribe (Behringer), International (China & EU)

- **April - Sept 2026 (Freelancer)**
  AI Digital Designer I UX/UI Design & Webdesign
  www.nadiawardi.de
